Socially,

As a group, Rams aid the community with the clear perspective of youth.

Scholastically, Spiritually

As Berkner High School continues to grow in size, Rams climb higher socially, scholastically, and spiritually . . . the sky is the limit.

Students, faculty, administration, and parents strive for higher goals in the education offered at Lloyd V. Berkner High School. Through their activities, both outside and inside the classroom, Rams develop an understanding that will benefit them in years to come. Each learns from the other in a day-to-day process.

Berkner offers many opportunities for Rams to improve their minds and characters. Through the wide range of academic and vocational courses, students become acquainted with new fields of study. They begin to explore and to think for themselves.

By participating in the many organizations and activities at Berkner, Rams form opinions, shape ideas, and expand their personalities. The sports program offers a way for Rams, both participants and spectators, to show their sportsmanship and spirit.

Rams expand and grow under the influence of a well-trained faculty. Inclassroom lectures, field trips, discussions, meetings, and on-the-job training, they share ideas and interests.

The students of Lloyd V. Berkner High School are constantly growing and expanding as individuals and as a community.

The 1975 Ram portrays Berkner High School and the Rams as they grow and expand, reaching higher and higher; the sky is the limit . . . BHS, a community.

We stand for,

Administration

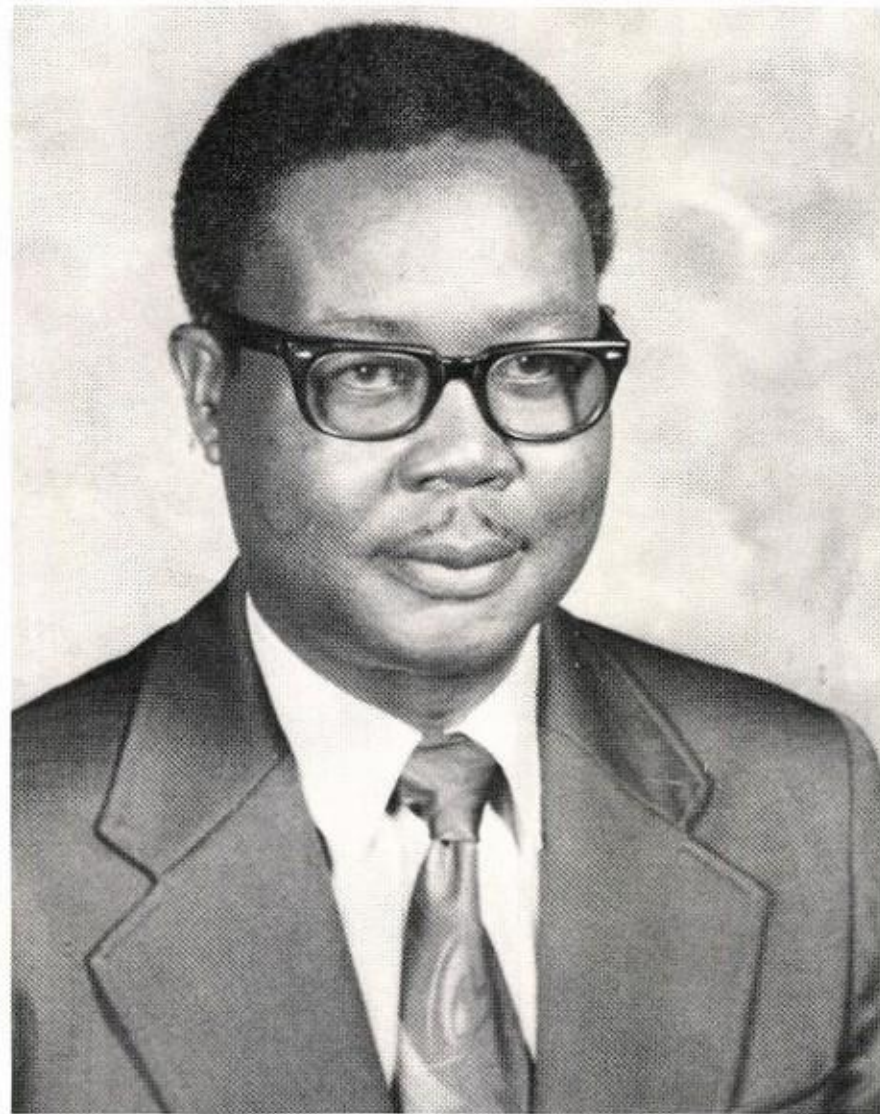

It is a hard job for the school board, and the individual school leaders, to take care of the rapidly growing school district of Richardson. To make the decisions such as length of vacations, courses of study, and school schedules is not an easy job.

Mr. Markham, Mr. Dailey, Mr. Goodlow, and Mr. Roseborough, our own administrators, have seen a new class added, yet Berkner is still run with efficiency. These men and our teachers work together with the heads of departments to bring the educational programs up to date so as to improve the minds of the students here at B.H.S.

Together, all of these people work for us to really make B.H.S. . . . a community.

Symphonic Band

The 1974-75 Berkner Ram Symphonic Band established another successful year during both football and concert seasons.

During this year, events such as 3A and 4A All Region Band, and Solo and Ensemble took place, which included the participation of around 50 players from the band. They were also involved in the University Interscholastic League Contest along with Buccaneer Days Festival at Corpus Christi.

The Symphonic Band was represented in the All-State Band by Carol Jeffries who sat second chair clarinet and Jon Hawes who sat third chair bassoon.

The officers for this year were Chip Schutza, President; Carol Jeffries, Vice-President; Holly Phillips, Secretary; Tammie Speer, Treasurer; and Heidi Patchen, Historian.

Combined with the Concert Band, the Ram Marching Band had a very rewarding year. The highlight of the year was earning a superior rating of a I at the U.I.L. Marching Contest for the third consecutive year for them. Also as a special highlight, the Ram Marching Band participated as a guest band at the Baylor-Texas Tech football game. For all the members of the band, this was an experience never to be forgotten.

Chamber Singers

The Chamber Singers are a formal singing group. They went on a tour of five elementary schools in the fall. The schools were Dartmouth, Forestridge, Mark Twain, O'Henry, and Springridge. (Not pictured is Lori Harris.)

The Aries is a pop singing group composed of choir members who were selected through auditions in the earlier part of the year. It sang in concerts both with the Chamber Singers and as an individual group.

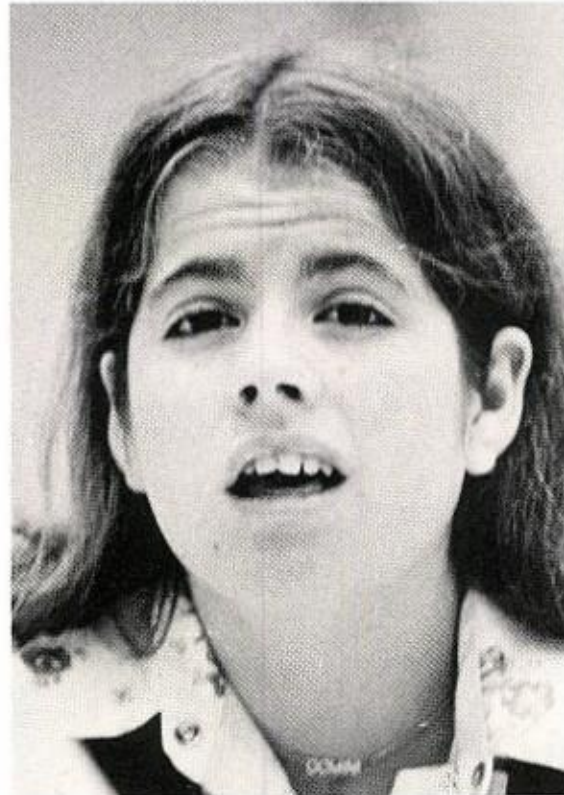

Ram

This year's annual staff was better than ever. In August of 1974, seven of the staff members attended the SMU Journalism Workshop, to learn how to put an annual together. When school started, the co-editors explained how to do annual work to the staff. Then they started to work: selling ads, getting pictures, drawing layouts, typing, and the many other numerous jobs that go with putting an annual into existence. It was hard work, but they had lots of fun with it.

This year many of the journalists attended a workshop at Southern Methodist University during the month of August. This year's Rampage used color for the first time.

C.V.A.E.

CVAE's fund raising projects for this year were selling note pads and rock groups T-Shirts, the proceeds from which were used to purchase VOCT (Vocational Opportunities Clubs of Texas) jackets, finance the employer-employee banquet, and donated to a community project. October saw Berkner VOCT, the auxiliary organization to CVAE classes, win 30 ribbons with 21 students entering club contests at N. Mesquite High School. Eight area schools were represented, and Berkner placed second in their first contest. Marvin Potter received Proclamation of Voc. Ed. Week for February 9-14, from Mayor Raymond Noah at the February 3, Richardson City Council Meeting. The Spring Employer-Employee Appreciation Banquet was held at the Old Spaghetti Warehouse. Awards for Best Employer, Best Employee, Employee Stability, Best Club Officer, were given. Appreciation certificates were presented to each employer of a CVAE student.

In the CVAE program, students are screened and selected by the coordinator who works closely with the counselor, assistant principal, and the student's parents. Careful consideration is given to each student who volunteers for the elective course. Training is conducted through cooperation with area businesses. Students receive practical, supervised, on-the-job training in their choice of occupation, by working after school.

D.E.C.A.

In February, the D.E.C.A. students attended the area contests at Richardson High School with 120 schools competing. Representing Berkner were Richard Hughes in manual writing, Beverly Nicholson in display, Christopher Lewis in sales demonstration, Rusty Trammel in food distribution and Dan Richter in job interview. Beverly, Christopher and Dan each won their contests and represented Berkner at the State D.E.C.A. Conference in San Antonio in March. The 1974-1975 officers are Rgonda Jones, President; Beverly Nicholson, Vice-President; Kyra Huddleston, Reporter; Lisa Gonzalez, Treasurer; Gary McPherson, Secretary.

Students who are 16 years old and of junior or senior classification are eligible for membership. The teacher-coordinator selects the students who may enter the program from those who make application in the spring. Assistance is given to H.E.C.E. students in order to achieve job placement in occupations which are best suited to their interests and abilities.

One of the service projects the club participated in this year, was donating toys to the Dallas Child Abuse Shelter at Christmas. Their money making projects provided for an Employer-Employee banquet at the end of the year.

With the help of sophomore Biff Jackson and Junior Steve Locklin, the senior muscles of Jack Twedell, Jeff Jester, and Don Kline presented a formidable challenge to any class AAA team in the state of Texas. In competition last season they were undefeated, playing mostly larger schools. Last year the seniors were on the team winning their division of the Dallas High Schools Invitation Golf Tournament at Brookhaven Country Club, bringing home Berkner's first golf trophy. Coach Stockton feels this team can potentially be the state's best class AAA team.

Dear Johnny,

If it hadn't of been for ninth grade, I'd be lost. I hope we'll be together for always.

I love you,
